International Pavilion 2026

Inspired by the success of the concept launched in 2019 for **electronica India**, **Messe München** will organize the first edition of the **International Pavilion** at **electronica China 2026**.

The **International Pavilion** at **electronica China** is a new measure meant to support companies from countries from all over the world to gain access to the Chinese market.

This offer addresses exclusively to companies, which do not have the opportunity to take part in a national or regional pavilion and are not granted governmental support from their own country/region.

Your benefits

- ✓ Step into the **Chinese electronics market**
- ✓ Present your company at the **leading trade fair for the electronics industry in Asia**
- ✓ Enjoy **easy first steps** in the Chinese market in the frame of the International Pavilion
- ✓ Take advantage of our **costs-efficient offer** and exclusive package
- ✓ **Increase your visibility** under the branded roof of the International Pavilion
- ✓ Count on our **comprehensive and individual support** before and during the shows
